

# Country of Origin, Drug Residue, and Ruminant Feed Continuous Affidavit

NM—Livestock Continuous Affidavit-FORM-001

Revision  
1

Effective Since  
08/23/2017

Revision Date  
00/00/0000

As this affidavit is deemed by USDA as an official record of Country of Origin, I attest through first-hand knowledge, normal business records, or producer affidavits that all livestock referenced by this document or other communications specific to the transaction and transferred are of U.S. Origin (born and raised in the U.S.). Should the origin of my livestock become other than described above, I agree to notify the buyer/agent when this occurs.

I attest that I have and will maintain records of livestock origin for one year from the date of delivery of livestock to the packer/buyer. I also attest that these records reflecting specific transactions are available for inspection for the sole purpose of compliance with the USDA Food Safety and Inspection Service, the USDA Animal and Plant Health Inspection Service, and third party auditing or certification bodies.

The undersigned certifies that, to the best of their knowledge, as of the date of shipment or delivery, that none of the livestock shipped or delivered to Nicholas Meat LLC will be on such date, adulterated within the meaning of Federal Food, Drug, and Cosmetic Act (i.e. none of the cattle or other ruminants will have been fed any feed containing protein derived from mammalian tissues, e.g. meat and bone meal, as that term is defined in 21 CFR 589.2000 and none of the livestock will have an illegal level of drug residues).

This Affidavit shall remain in effect until revoked in writing by the undersigned and is delivered to Nicholas Meat LLC at 508 E Valley Road, Loganton, Pennsylvania 17747.
